RE: 2009 SoDakSACA Conference - Request for Proposals

The South Dakota School-Age Care Alliance (SoDakSACA) is an organization of people interested in providing and promoting quality out-of-school programs in South Dakota. With more and more parents working, the need for safe and enriching programs before and after school, during school holidays, and in summer is becoming greater each year. With that comes a need for high quality, appropriate training for those involved in providing these programs.

The 2009 SoDakSACA Conference will be held October 9-10 at Cedar Shores Resort in Chamberlain. It is the intent of the board of directors of this organization to provide a wide spectrum of conference sessions addressing the needs of those staff in administrative positions, as well as care provider roles of both elementary and middle school programs.

SoDakSACA invites you to submit a proposal for our upcoming annual conference on the attached form. All sessions should be 1.25 hours in length. **Proposals must be postmarked by June 30, 2009 to be considered for presentation.** Evaluation of proposals will be based on current best practice standards such as those supported by the National AfterSchool Association (NAA). Presenters will be notified by July 15th concerning the acceptance of their proposal. If you have any questions regarding this conference or the request for proposal form, contact Jan Stange at (605)692-8066 or at gapost@brookings.net.

We look forward to receiving a proposal from you!
