

Lights On Afterschool

SOUTH DAKOTA

The third annual statewide celebration of Lights On Afterschool will be held at the Washington Pavilion, in conjunction with the SoDakSACA Conference. Mark your calendar for October 5, 2012-details to come.

After-school program participants from across the state are invited to submit original works of art to be exhibited at the Washington Pavilion's "Off the Fridge" gallery during the month of October. Forty pieces of artwork will be chosen by a distinguished panel of art experts for exhibit.

"Off the Fridge" is an impressive ever-changing art gallery at the Washington Pavilion of Arts and Science that exhibits the works of students. Through this program, budding artists are given the opportunity to display their work.

Original submissions of any two dimensional art form (painting, drawing, photography etc.) must measure 18"x24" or smaller and have a complete label (attached) attached to the back side. All artwork should be centered on one of three themes:

- 1) What my after-school program means to me,
- 2) What I do after-school, or
- 3) Why after-school matters.

Artwork for each program can be packaged together and mailed no later than September 14 to:
