

SoDakSACA Proudly Presents:
Tracey Ballas ~ Targeted Leadership!
Thursday, October 4, 2012 ~ 6-9 PM
Best Western Ramkota ~ Sioux Falls

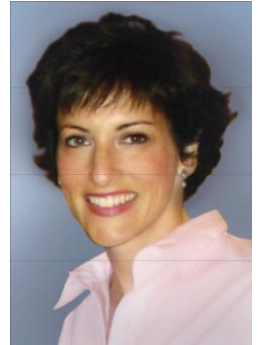

Targeted Leadership takes complex leadership principles and presents them in a way that is easy to understand and put into action. This training will be an excellent resource for leaders to use when polishing their skills, as well as fostering them in their staff members.

The companion book *Targeted Leadership* tackles concepts such as hiring, inspiring and, yes, firing. Whether you are creating a vision for the team you wish to recruit, empowering new staff members through orientation, coaching and training, or energizing experienced staff members with team building, *Targeted Leadership* provides you with the tools you need to transform your team.

About Tracey Ballas: With more than 25 years experience in the afterschool field, Tracey C. Ballas, former Chief Executive Officer of School-Age NOTES, Inc., brings a wealth of experience to the workshops and trainings she has conducted throughout the United States and in Europe. She is the celebrated author of "Targeted Leadership-Building a Team That Hits the Mark." This practical resource reveals tried and true ideas for how to find and keep competent, caring staff who works cohesively as a team.

She has testified in Congress and served as an advisor to former Vice-President Al Gore on the Welfare to Work Committee. Tracey has authored a number of articles that have been featured in Child, Working Mother, and Parenting magazines.
