

# SoDakSACA Pre-Conference

Providing Afterschool with Dignity and Grace

Arrowwood Resort & Conference Center at Cedar Shore ~ Chamberlain, SD

Thursday, October 6th

4:30pm-8:30pm

## Billy Mawhiney

SD Afterschool Network Executive Director

### Writing Your Evolving Story

*Billy will share his own personal journey and how the ups and the downs are the best parts of any story. In this session you will be asked to be vulnerable and share personal thoughts and stories in a small group setting. In the first half, the focus will be adjusting from work and education based introductions to cultural based introduction while understanding the art of storytelling. After dinner, participants will come together to discuss how to shift from no longer being the subject of their own story but rather becoming authors of that same and new novel.*
